

Session 3 – Inerrancy & Sufficiency

Scriptural proofs for inerrancy

- Deductive
- Inductive

Five views of truth

- View #1: Truth as experience
- View #2: Truth as consensus
- View #3: Truth as coherence
- View #4: Pluralism
- View #5: Correspondence as truth

Three views of inerrancy

- View #1: Inerrant in its purposes
- View #2: Inerrant in its intentions
- View #3: Inerrant in everything it claims

Two objections to inerrancy

- Original texts aren't available
- Supposed contradictions

Implications
